## 1<sup>st</sup> Cadaveric Colonic Onco-Surgical CME & Workshop

'Colonic Onco-Surgery - Are We Doing It Right?'

In Association With Health Sciences Park, Bangalore

19<sup>th</sup> November, 2018

 Ramaiah Advanced Learning Center, M.S Ramaiah University Building,  
Gnanagangotri Campus, New BEL Road, MSR Nagar, Bangalore-560064

Colonic onco-surgery is a dynamic area. From a standard colectomy to meso-colic excisions a lot has been said about. Precision colonic surgery has been much talked about and this one-day workshop will familiarise you with the principles of onco-surgery and the nuances of colonic onco-surgery. This one-day cadaver course provides hands-on experience using fresh/frozen cadaveric material.

Eminent Faculty across the globe would be attending this workshop viz Tata Memorial Hospital - Mumbai, Kidwai Institute of Oncology - Bangalore, Christian Medical College - Vellore, Columbia Asia Hospital - Bangalore and Apollo Hospitals (Chennai and Bangalore). The course is run with a low delegate to faculty ratio, with a maximum of four hands-on delegates assigned to each cadaver

While didactic teaching will take place during the workshop, the main emphasis is to provide practical experience

**12 delegate places and 6 observer places are available for this hands-on cadaveric workshop (Delegate level: Senior Surgical Trainees, Consultant Gastro-Intestinal Surgeons, Surgical Oncologists, Surgical Gastroenterologists and Colorectal Surgeons.)**

**Course Director**

**Dr. N Srinivasaiah**  
 MBBS, MD, MRCS (Eng, Ed, Glas, Ireland), FRCS, FEBBS (Colo-proctology)  
 Senior Consultant - Colorectal surgery (Colorectal, Peritoneal & Pelvic Oncology)  
 Laparoscopic & Robotic Surgery - Apollo Institute of Colorectal Surgery - Bangalore, India  
 Head of Colorectal Services, Karnataka Region  
 Honorary Senior Lecturer, Queen Mary University of London

**Tel (Mob): 0091 - 81970 88434**  
**Email (P): bangalorebowelcare@gmail.com**

**Agenda**
