

GI INTERNATIONAL CONGRESS KIEV UKRA *ESSO ENDORSED*

Registration&welcome coffee						08:00	
Day 1 20/09/2018							
WELCOME AND INTRODUCTION		Olena Kolesnik					
Advances in The Treatment of Gastrointestinal Cancer							
Section 1	COLORECTAL CANCER						09:15
Moderators: Olena Kolesnik, Olexandr Kirichenko							
	Topics	Lecturer	Information about the speaker	Limit	Time		
WELCOME AND INTRODUCTION	Oncological principles of the surgical treatment of colorectal cancer	Olena Kolesnik	Med.Sci, Director of the National Cancer Institute, Kyiv, Ukraine	15 min		09:00	
lecture 1	Combined operations of the advanced pelvic tumors	Tekkis Paris	BMed.Sci., BM BS, MD, FRCS, Professor of Colorectal Surgery, The Royal M	20 min		09:15	
lecture 2	Transanal Total Mesorectal Excision from the UK Programme	Nader K Francis	MBChB, FRCS, PhD, Professor at University of Bath, Colorectal Surgeon at Y	20 min		09:35	
lecture 3	Laparoscopic approaches of the rectal cancer surgery	Karachun Oleksiy	Head of the surgical department of abdominal oncology FGBU "NN Petrov	20 min		09:55	
lecture 4	Laparoscopic surgery of the colon cancer	Andreas Shamiyeh	DOZ.DR. FACS, FEBS Head of Surgery Department No. 2 of Keller University	20 min		10:15	
lecture 5	A new paradigm for distal rectal cancer: organ preservation with watch and wait approach af	Kirichenko Alexander	Professor, Department of Radiation Oncology, Tempel University Medical S	20 min		10:35	
lecture 6	Anastomoses in laparoscopic resections: from the esophagus to the rectum	Lukashenko Andriy	MD, MeD.Sci, Head of the Department of Minimally Invasive Surgery, Endo	15 min		10:50	
Discussion				15 min		11:05	
Coffee Break				30 min		11:20	
Section 2	HPB tumors					11:50	
Moderators: Tekkis Paris, Kirkilevsky Stanislav							
lecture 1	Laparoscopic liver resections	Luca Aldrighetti	MD, PHD, Head of the Department of Hepatology, Hospital San Rap	20 min		11:50	
lecture 2	Indications, operative technique and long-term outcome of total pancreatectomy with auto-t	Peter L Abrams	MD, Associate Professor, Department of Surgery, Georgetown Institute of Transplantation, Georgetown University of Medicine, Washington, DC	20 min		12:10	
lecture 3	Quick recovery program for hepatobiliary intervention	Luca Aldrighetti	MD, PHD, Head of the Department of Hepatology, Hospital San Raphael, M	20 min		12:30	
lecture 4	Complications after PDR – diagnosis, treatment tactics	Tobias Keck	Professor, Director of the Department of General Surgery, University Hospi	20 min		12:50	
Discussion				20 min		13:10	
Lunch				60 min		13:30	
Section 3	Upper GI tumors					14:30	
Moderators: Luca Aldrighetti, Lukashenko Andriy							
lecture 1	Modern treatment strategy of the esophageal cancer	Kirkilevsky Stanislav	MD, MeD.Sci, thoracic surgeon, National Cancer Institute, Kyiv, Ukraine	20 min		14:30	
lecture 2	Hybrid surgery for esophageal cancer	Friedel Roman	MD, surgeon, National Cancer Institute, Kyiv, Ukraine	20 min		14:50	
lecture 3	Pseudomyxoma of the peritoneum – What? Where? When?	Kopetsky Vyacheslav	MD, HPB surgeon, National Cancer Institute, Kyiv, Ukraine	20 min		15:10	
lecture 4	Stomach cancer, treatment tactics depends on the stage	Kondratsky Uriy	MD, PhD, Head of the Department of GI tumors, National Cancer Istitute, K	15 min		15:25	
lecture 5	ERAS technologies in the treatment of the patients with an oncological pathology of upper GI	Kolesnik A	MD, surgeon, National Cancer Institute, Kyiv, Ukraine	15 min		15:40	
Discussion				20 min		15:55	
GALA DINER						18:00	
Day 2 21/09/2018 LIVE SURGERY							
Section one ROBOTIC SURGERY							
Live-surgery from Yonsei Cancer Center, Severance Hospital, Seoul, Korea		SURGEON					
Moderators: Olena Kolesnik, Lukashenko Andriy							
OPERATION 1	Robot-assisted gastrectomy	Taeil Son	MD, Assistant Professor, Department of Surgery Yonsei University College of Medicine, S			09:00	
OPERATION 2	Robot-assisted low anterior resection of the rectum	Byung Soh Min	MD, PhD, Professor, Department of Surgery Yonsei University College of Medicine, Seoul, Korea			09:00	
Coffee Break						11:45	
Section two							
Live-surgery from National Cancer Institute, Kyiv, Ukraine							
Moderators:							
OPERATION 3	Laparoscopic low anterior resection of the rectum	Nader K Francis	MBChB, FRCS, PhD, Professor at University of Bath, Colorectal Surgeon at Yeovil District H			12:00	
OPERATION 4	Laparoscopic hemicolectomy	Andreas Shamiyev	DOZ.DR. FACS, FEBS Head of Surgery Department No. 2 of Keller University, Honorary Exp			12:00	
OPERATION 5	Laparoscopic hemihepatectomy	Luca Aldrighetti	MD, PHD, Head of the Department of Hepatology, Hospital San Raphael, Milan, Italy			14:00	
Lunch-box, coffee						14:00	
Closing cereremony				10 min		16:30	
Day one							
Satellite section							

Lecture 1	Telemedicine in oncology	12:00
Lecture 2	3D Surgical Technologies in Oncology Surgery	12:30
