

SISOC

Shiraz

International Surgical Oncology Congress

28-30 November 2018

Shiraz, Iran

Day	time	Title	
Wednesday	12:00-13:50	Registration	
	13:50-14:00	Holy Quran, National Anthem	
	14:00-16:00	14:00-14:15	SUMS chancellor opening remarks A.Bahador
		14:15-14:30	SISOC chair opening remarks A.R. Talei
		Chair: J. Fattahi, A. Izadpanah, S.A. Malek-hosseini	
		14:30-14:45	The six-year incidence trend of top ten cancers in Fars province: results of a population-based study A. Rezaeianzadeh (Iran)
		14:45-15:05	Endoscopic treatment of early gastric cancer K. Lankarani (Iran)
		15:05-15:25	Curative and Prophylactic treatment of peritoneal metastasis from gastrointestinal cancers O. Glehen (France)
		15:25-15:45	Multimodal management of metastatic Neuroendocrine Tumors (NET) R. Kianmanesh (France)
		15:45-16:05	Optimal treatment strategy of adenocarcinoma of the esophagogastric junction; Controversial issue in upper GI surgery H. Yamashita (Japan)
		16:05-16:30	Break
	16:30-19:00	Chair: S.V. Hosseini, H. Mahmoodzadeh, M. Ramzi	
		16:30-16:50	Proximal versus total gastrectomy for adenocarcinoma of cardia and proximal stomach S.J Vyas (India)
		16:50-17:10	Enhanced Recovery After Surgery (ERAS) for gastrointestinal surgery S. Mohseni (Sweden)
		17:10-17:30	Introduction to Pressurized Intraperitoneal Aerosol Chemotherapy (PIPAC) O. Glehen (France)
		17:30-17:50	Surgical resection vs. non-surgical ablation of liver metastasis; State of the art methods R. Kianmanesh (France)

SISOC

Shiraz

International Surgical Oncology Congress

28-30 November 2018

Shiraz, Iran

		17:50-18:10	D2 lymph node dissection in gastric cancer; Japanese standpoint H. Yamashita (Japan)	
		18:10-19:00	Panel: Management of gastric cancer with limited liver/peritoneal metastasis Moderator: S.J Vyas (India) Members: M. Bohlooli, O. Glehen, M. Karimi, R. Kianmanesh, M. Mohammadianpanah, S. Nikeghbalian, A. Rasekhi, R. Vejdani	
Thursday	8:30-10:10	Chair: M.M. Arasteh, M.A. Mohagheghi, A. Mosalaei		
		8:30-8:50	Population-based cancer registry in Iran R. Malekzadeh (Iran)	
		8:50-9:10	BIRADS standards of reporting breast MRI S. Sefidbakht (Iran)	
		9:10-9:30	Current controversies in screening mammography A.M. Alajmi (Oman)	
		9:30-9:50	Interventional radiology in management of breast cancer S. Giti (Iran)	
		9:50-10:10	Tumor localization, classic and novel techniques M. Habibi (US)	
	10:10-10:40		Break	
	10:40-12:40	Chair: M.E. Akbari, A.A. Mohammadi, M.J Salabian		
		10:40-11:00	Shiraz Breast Cancer Registry protocol A.R. Talei (Iran)	
		11:00-11:20	Oncoplastic breast surgery: what, when and for whom? F. Meybodi (Australia)	
		11:20-11:40	Breast reconstruction after total mastectomy-personal experience of 1000 cases A.Mosahebi (UK)	
11:40-12:00		Intraoperative radiotherapy with electrons (ELIOT) for breast cancer. The experience of the European Institute of Oncology M. Intra (Italy)		

SISOC

Shiraz

International Surgical Oncology Congress

28-30 November 2018

Shiraz, Iran

	12:00-12:40	Panel: Challenges in management of T3 early-stage breast cancer Moderator: A.R. Talei Members: N.S. Alavi, M. Asadi, M. Karimi, M. Habibi, A. Kaviani, A. Mosalaei, A. Safei, S. Tahmasebi, F. Zarei
	12:40-14:10	Lunch
14:10-15:55	Chair: H. Noorani-khojasteh, A.H. Talaeizaeh, B. Ziaecian	
	14:10-14:25	Oral presentation: Intraoperative radiotherapy (IORT) in breast and non-breast malignancies; four years experience of Shiraz center H. Nasrollahi (Iran)
	14:25-14:45	Volume replacement surgery: a newer approach to breast conservation surgery F. Meybodi (Australia)
	14:45-15:05	Axillary management in modern era; controversies and pitfalls M. Habibi (US)
	15:05-15:25	Surgery of primary tumor in stage IV breast cancer M. Intra (Italy)
	15:25-15:40	Selected paper oral presentation
	15:40-15:55	Selected paper oral presentation
	15:55-16:25	Break
16:25-18:10	Chair: A. Kaviani, S. Tahmasebi, M. Zakerinia	
	16:25-16:45	Future of breast cancer in Iran M. E. Akbari (Iran)
	16:45-17:05	Disparities in breast cancer between east and west A.M. Alajmi (Oman)
	17:05-17:25	Nipple sparing mastectomy and immediate reconstruction. How to make it safe and sustainable? F. Meybodi (Australia)
	17:25-17:45	Chemotherapy in locally advanced breast cancer S. Omidvari (Iran)

S. Mohseni	Sweden
R. Malekzadeh	Iran
S. Sefidbakht	Iran
A.M. Alajmi	Oman
S. Giti	Iran
M. Habibi	US
F. Meybodi	Australia
A.Mosahebi	UK
M. Intra	Italy
M. E. Akbari	Iran
S. Omidvari	Iran
F. Jokar	Iran
F. Azimi	Australia
M. Dehghani	Iran
A. Rasekhi	Iran
A. Monabbati	Iran
S. Atefi	Iran
M. Shirkhoda	Iran

Shiraz International Surgical Oncology Congress
28-30 November 2018
Shiraz, Iran

SISOC faculties	Academic rank	University	Country
Dr. Abdolrasoul Talei	Professor of surgery	Shiraz University of Medical Sciences	Iran
Dr. Sedigheh Tahmasebi	Associated professor of surgery	Shiraz University of Medical Sciences	Iran
Dr. Majid Akrami	Assistant professor of surgery	Shiraz University of Medical Sciences	Iran
Dr. Vahid Zangouri	Assistant professor of surgery	Shiraz University of Medical Sciences	Iran
Dr. Abbas Rezaeianzadeh	Associated professor of epidemiology	Shiraz University of Medical Sciences	Iran
Dr. Ahmad mosalaei	Professor of radiotherapy oncology	Shiraz University of Medical Sciences	Iran
Dr. Shapour Omidvari	Associated professor of radiotherapy oncology	Shiraz University of Medical Sciences	Iran
Dr. Mohammad mohammadianpanah	Professor of radiotherapy oncology	Shiraz University of Medical Sciences	Iran
Dr. Mani Ramzi	Professor of hematology oncology	Shiraz University of Medical Sciences	Iran
Dr. Mehdi dehghani	Assistant professor of hematology oncology	Shiraz University of Medical Sciences	Iran
Dr. Reza Vejdani	Assistant professor of hematology oncology	Shiraz University of Medical Sciences	Iran
Dr. Ahmad Monabbati	Associated professor of pathology	Shiraz University of Medical Sciences	Iran
Dr. Sepideh Sefidbakht	Assistant professor of radiology	Shiraz University of Medical Sciences	Iran
