

## **SPA TREATMENTS**

The range of treatments available in the Spa is varied, and not all may be suitable for every individual. If you are taking medication, have recently had an operation or illness, or have a medical condition, including cancer, it is advisable to consult your doctor before booking treatments. If in doubt, please ask our therapist who has been trained to know under what circumstances a treatment should not proceed, when to refer a client to a doctor and can recommend alternative treatments. We do not wish to disappoint; however your Health and Well-Being are always our priority.
