# Maes y Dderwen Extra Care Scheme

**Live an independent lifestyle backed up by care and support as you need it, providing you with peace of mind now and for the future.**

Ty Glas Housing Society in conjunction with Wrexham County Borough Council is developing an Extra Care Housing Scheme with 60 one and two bedroom high quality apartments for rent, with communal facilities in the town of Wrexham. The scheme is designed to meet varying levels of need for care and support which people have, supporting people to live in their own homes as independently as possible and providing a real alternative to residential care. Priority is given to residents of the Wrexham area aged 60 years and over with an assessed care and support need.

Housing management and ancillary services on-site will be provided by Clwyd Alyn Housing Association as Managing Agent for Ty Glas Housing Society, whilst Wrexham County Borough Council will commission on-site domiciliary care and housing related support for residents with an assessed need.
